Tentative schedule so far: 2-3 Karate
3-4 Fencing
Juggler will do 1 hr or 2 -1/2 shows
Magician will do a 30 minute show with walk around

A letter will be sent to Robert Brauer, who is in charge of the Civil War reenactment.

Spot Light on 20 has been reserved for Thursday morning at 6 and on Friday the noon show.

Food Vendors - Tony Crifasi called inquiring about bringing his 15 ft. trailer to sell lemonade out of. He needs water and electric service.

Lois Guffey is interested in bringing her trailer down to also sell food.

Methodist Church will sell the pork chops.

It was decided to have more than one food vendor so that there will be food available all day.

Norval suggested having a wrecked car that Kids could hit with a sledge hammer for \$1.00. The money will be given to a charity or to the Williamsville Library.

The library is looking for a book that could coincide with a red wagon decorating contest. Janice has been in touch with Jean at the library.

Valerie couldn't get the trolley from Springfield so Janice is going to call Raymond Poe and use his and have it pulled with a truck. Norval suggested using a sound system and connecting a speaker for the historical tour.

The band idea is being put off until year(s) down the road. The Foundation doesn't have enough help to do it and the committee doesn't want to do it. The idea was discussed about having a movie in the park on Sunday but decided against it.

Larry Lefferts hasn't gotten back about having the fireworks at the park. It was discussed on whether or not the field behind the park will be planted this spring. That may make the difference on whether or not we can have fireworks at the park.

When we get closer Pepsi will be called for a banner.

The pamphlet for the historical tour was discussed. It was decided to sell advertisement for \$10.00 ea. and also have a schedule in the pamphlet. The money will be used to defer the cost of the pamphlet. Norval said he would spend a couple days going around selling the spots and it will be advertised in the newsletter.

Next meeting is scheduled for Tuesday, March 24th at 5:30.

The meeting adjourned at 6:20
